

Shadow Immobilisation Service Statement

COMMERCIAL DETAILS:

Information can be found at www.shadowimmobiliser.com

LEGAL TERMS: You acknowledge and accept that:

- (a) save as set out in this Shadow Immobilisation Service Statement, your use of the Shadow Immobilisation Service is subject to our standard terms and conditions, which can be found at www.globaltelemetrics.com/terms (our "Terms and Conditions");
- (b) you should, in particular, review the "Remote Immobilisation Service" section of our Terms and Conditions, which sets out important information regarding the use of the Shadow Immobilisation Service;
- (c) the Shadow Immobilisation Service is NOT a tracking, vehicle recovery or "first notice of loss" service; and
- (d) save as set out in this Shadow Immobilisation Service Statement, those elements of our Terms and Conditions that oblige us to process or use geo-location data will not apply to the Shadow Immobilisation Service (but we retain the right to on the basis set out under section (d) of "Privacy" below).

PRIVACY: You acknowledge and accept that:

- (a) save as set out in this Shadow Immobilisation Service Statement, the Shadow Immobilisation Service is subject to our general privacy policy. This gives full details of who we are and how we treat your data, and can be found at www.globaltelemetrics.com/terms (our "General Privacy Policy");
- (b) the immobilisation device used to facilitate the Shadow Immobilisation Service may have the ability to capture and transmit geo-location data regarding vehicles in which it is installed;
- (c) however, save as set out in this Shadow Immobilisation Service Statement, those elements of our General Privacy Policy that require or allow us to process or use geo-location data will not apply to the Shadow Immobilisation Service; and
- (d) in particular:
 - i. geo-location data which may be collected will not be provided through our website, apps or call-centre;
 - ii. we will not actively monitor any geo-location data provided in respect of the Shadow Immobilisation Service unless: it is necessary to do so to perform a contract we have with you; it is necessary to pursue our legitimate interests; we have your consent to do so; we are required to do so to aid with Police investigations; or it is otherwise required to comply with our legal obligations (all as more particularly set out in our General Privacy Policy); and
 - iii. geo-location data will, if transmitted by the relevant device, be retained on our systems, processed and / or anonymised in accordance with our General Privacy Policy.

CONFLICT: In the event of any conflict between this Shadow Immobilisation Service Statement and our Terms and Conditions or General Privacy Policy, this Shadow Immobilisation Service Statement takes priority.
